BOOTH SALE POLICIES AND REGULATIONS

The manner in which Booth Sales are conducted / coordinated may vary by Service Unit.

Leaders must check with their Product Sales Coordinator for guidelines on how to book locations within their specific community.

It may be necessary and/or beneficial to have a Booth Sale Coordinator within your Community.

Some Service Units may need to conduct lotteries to determine times and locations of various sales in their community.

As always, if a Leader wants to have a sale out of her/his community, it Must be Approved by the PSC in your Community as well as the Neighboring Community.

The Product Sales Coordinator has the authority to change or cancel a booth sale when it serves in the best interest of her/his Community.

It is very important that you let your PSC know as soon as possible when and where

your

sale is planned to avoid multiple bookings at one location.

Please Work Together with Your Community to Make this the Best Cookie Season ever !!

Thank You 😊
