

BRING-A-FRIEND

Would you like more girls in your troop?

Do some of your current Girl Scouts have friends who would like to join?...

Hold a Bring-A-Friend event in your troop or service unit!

If a Girl Scout invites a friend to one of these events and her friend joins Girl Scouts (doesn't need to be in the same troop), she will receive a Bring-a-Friend "puzzle" patch and her friend will receive a one as well.

Complete the tear-off authorization form below and attach to the new girl(s) registration form. Turn in to the Membership Coordinator or Troop Organizer. MC or TO must sign form and return to you.

Bring signed form to the Girl Scout shop to receive the free patch for the Girl Scout who invited the new girl and the matching patch for her friend.

Don't forget to have girls invite friends who did not continue in the troop to the event as well as girls new to Girl Scouts.
