

# BRING-A-FRIEND

**Would you like more girls in your troop?**

**Do some of your current Girl Scouts have friends who would like to join?...**

**Hold a Bring-A-Friend event in your troop or service unit!**

If a Girl Scout invites a friend to one of these events and her friend joins Girl Scouts (doesn't need to be in the same troop), she will receive a Bring-a-Friend "puzzle" patch and her friend will receive a one as well.

- Complete the tear-off authorization form below and attach to the new girl(s) registration form. Turn in to the Membership Coordinator or Troop Organizer.
- MC or TO must sign form and return to you.
- Bring signed form to the Girl Scout shop to receive the free patch for the Girl Scout who invited the new girl and the matching patch for her friend.
- Don't forget to have girls invite friends who did not continue in the troop to the event as well as girls new to Girl Scouts.
