WHAT IS DAY CAMP?

Attending Girl Scout day camp gives girls, who are **currently** in grades K – 8, the opportunity to spend an active summer outdoors at some of the most beautiful places in southern New England. Unlike other day camps, an all-girl environment makes it easier for girls to reach their full potential -- developing courage, confidence and character as they challenge themselves to try new activities like swimming, boating, rock climbing, archery and much more! All in a safe, nurturing environment.

Our summer sessions are jam packed with a bit of everything “camp”. Get creative with arts and crafts, investigate nature, enjoy the waterfront, challenge yourself to get up the rock wall and have fun with new and old friends. Girls **currently** in grades 3 and up will try their hand at archery! All the while enjoying activities related to the week’s theme.

Girls can attend multiple one-week sessions because each one has a different theme with related activities. And the optional Thursday night session is back!

Two-week day camp sessions are available for girls entering 6th – 8th grade who want a more in-depth camping experience that focuses on nature study and outdoor skills, such as fire building, outdoor cooking and shelter construction.

Special leadership programs are available to older girls who have leadership abilities, love camp and want to become part of the camp team.

Getting to and from day camp is easy with busing available from nearby communities. After all, singing on the bus is a true Girl Scout tradition!

WHAT TO EXPECT

At day camp, girls are grouped into units by grade and experience. Girls can identify one friend, (in the same grade), to be in their unit on the registration form, but they will make lots of new camp friends too! Units stay together for most activities, but there are also opportunities to enjoy the company of the other girls at all-camp gatherings, such as talent shows. Girls bring their own lunch and snacks. There is one camp-wide cookout each week.

The day begins and ends with the entire camp coming together for a flag ceremony. Throughout the day, girls participate in a variety of activities including hiking, games, sports, cooking, arts and crafts, singing and nature exploration. Depending on the camp, girls might also challenge themselves on a rock climbing wall, in a canoe or paddle boat, or on a high/low ropes course.

Swimming is a big part of Girl Scout camp. Girls will take part in swim instruction as well as recreational swim time– one instructional and one free-swim. We provide instruction so girls can progress in their swimming skills – becoming more confident in the water and perfecting their strokes. During swimming, girls are grouped by ability and a trained waterfront instructor enforces strict safety measures.

When it’s really hot, the staff encourage girls to drink more water, stay in the shade, and – if possible – spend even more time in the pool or pond.

FEES

Program fees vary according to camp, program, and length of session. Program fees are subsidized by Girl Scouts of Southeastern New England in order to keep camp affordable for as many girls as possible. For current fees, please refer to each camp's program description.

DEPOSITS

A non-refundable deposit of \$35 per session is required and will be deducted from the total balance due. Girls not currently registered as Girl Scouts will also need to pay a one-time membership fee of \$25. This GSUSA membership is valid through September 30, 2016.

PAYMENT

Camp fees may be paid by cash, check, money order (payable to GSSNE) or credit card (MasterCard, Visa, American Express). A non-refundable deposit is required with your application and the balance is due by May 31, 2016. New camp registrations will be accepted after May 31 with Full Payment. GSSNE reserves the right to cancel reservations if full payment is not received by May 31, 2016. Refunds due to overpayment will be processed after August 1, 2016. Check, money order and credit card payments may be mailed or faxed. Do not mail cash; cash payments must be brought to the council office.

FINANCIAL AID REQUESTS

Financial aid to attend a GSSNE summer camp program – day or overnight – is available for girls who, without this assistance, would not be able to attend Girl Scout camp. Families applying for financial aid should expect to pay as much as they possibly can toward the fee. The \$35 per session deposit must accompany the camper registration and will be refunded if financial aid is not granted. Financial aid is not limited to one session. Applications may be downloaded from our website. Please see the financial aid application for a list of required documentation.

COOKIE CREDITS

Each GSSNE Girl Scout receives 20 cents per box of Girl Scout Cookies sold that she is able to use toward GSSNE summer camp fees. A girl may transfer her "cookie credits" to another girl who needs them. **All transfers must be requested in writing by April 22, 2016.** Cookie credit procedures may be found at www.gssne.org.

FORMS

In order for your Girl Scout to attend day camp, the following forms must be completed and returned by May 31, 2016.

- Camp Fee Final Payment
- Girl Health History Record and Immunization Record

If these forms, along with the complete payment, are not returned by May 31st, Girl Scouts of Southeastern New England reserves the right to cancel the registration.

EARLY BIRD INCENTIVE

All girls who register and submit all required paperwork by March 31, 2016 will receive a white Girl Scouts logo t-shirt, perfect for tie dying activities at camp!

CANCELLATIONS AND REFUNDS

Deposits are not transferable and will not be refunded unless GSSNE cannot place a girl in the session/program of her choice. No refunds are made if a camper leaves camp due to homesickness, late arrival, early departure, inappropriate behavior or personal choice. A refund of fee balance will only be made under unforeseen circumstances and by written request, received two weeks prior to the start of the camp session or program. There are no refunds for cookie credits, financial aid awards, or deposits.

TRANSFER FEE

Once a registration has been processed, there will be a \$15 fee each time a change of camp or session is made.

GIRLS WITH SPECIAL NEEDS

Parents or guardians of girls with special dietary needs, mobility limitations over rough terrain, or health conditions requiring particular awareness should contact Laurie Pansa at (401) 331-4500 ext. 1400 or (800) 331-0149 ext. 1400 prior to registration in order to ensure that the girl can safely participate in camp activities.

GETTING THERE

DAY CAMP: Bus transportation is required for all GSSNE Summer Day Camps and is included in the camp fee. Exact drop off and pick up times will be posted on the website 2 weeks prior to the beginning of each camp session. A complete listing of bus stops is posted on our website. Please indicate your preferred bus stop on your registration form.

OVERNIGHT CAMP: Girls are responsible for their own transportation to the resident and special programs at Camp Hoffman. Parents are encouraged to form car pools.
